1. Background

The Company is a global business which undertakes the management of international development projects throughout the world. The tender is in relation to the Challenge Fund for Youth Employment where the Company is contracted by the Netherlands Ministry of Foreign Affairs, Sustainable Economic Development Department (DDE) (the Client) to manage the fund. The aim of the Challenge Fund is to improve economic prospects - via decent work and income - for up to 200,000 young men and women in the Middle East, North Africa, Sahel, and the Horn of Africa. The Client has entered into the contract with Palladium Europe BV which is registered in The Netherlands.

2. Objectives of the assignment

At present, the Company is looking to sign funding agreements with the Implementing Parties (IPs) in Egypt. As part of these agreements, the Company is committed to provide Technical Assistance (TA) to allow the IPs reach the full potential. 3. Scope of the assignment

The successful Tenderer will manage the consultancy and employment related operations for the Company. The expected total value of the services is the expected to be in range of EUR60,000 within the first year, with possibility to extend. The Tenderer must be able to provide following services locally on behalf of the Company:

- Providing immigration assistance to international consultants (may include but is not limited to: assistance in obtaining and managing visas, insurance etc).

4. Duration and phasing

Services are demand driven and therefore cannot be predicted in advance. We expect to draw on the agreement for the initial period of 1 year, starting February 2021 with possibility to extend.
